Likewise, since they are also beginning to co-op at the graduate-school level, their economics and computer science majors will also be of interest. (U)

3. Review of CIARDS System: [ ] reported 25X1A on Monday, 5 November, to begin his review of the Agency's administration of the CIARDS System for the period from 1 July 1978 through 30 September 1979. Hereafter, this review, which is a required annual report to the House Permanent Select Committee on Intelligence, will be prepared on the regular fiscal year basis from 1 October of one year through 30 September of the following year. (U/AIUO)

4. Retirement Information Seminar: The first three sessions of the Retirement Information Seminar (RIS) were held in the Auditorium on 30 October, 1 November and 6 November. The sessions were well attended.

5. PMCD Course: Officers of the Position Management and Compensation Division conducted a three-day orientation course for component personnel officers and other officers in the Office of Personnel. The training course provided participants with information on position management, job evaluation, and pay administration/hours of work. The student critique of the course was generally favorable with some participants requesting an extension of the course to include more detail on PMCD functions. (U/AIUO)

6. NAPA Project Group: The NAPA Project Group completed its task on 5 November 1979 with the presentation of the final report and overview paper to the Director of Personnel. (U/AIUO)
